COVERAGE CERTIFICATE

CCS (Conduct) Rules, 1964 - Complete Comic Series

This certifies that the Conduct Rules comic series is complete: 48 comic pages across five batches, covering the CCS (Conduct) Rules, 1964 rule by rule, as mapped in coverage-map.md (100 per cent of mapped rule and sub-rule items).

Each batch notes file preserves the verified rule anchors from the official-pattern mirror (referencer.in), consolidated up to 31.12.2014 and including the 09.05.2011 amendment; no later amendment was found in verification as of 25.09.2026.

A Story Diversity Ledger of 48 unique stories, casts and memory hooks accompanies the series; factual accuracy was treated as binding over storytelling throughout.

This edition regenerates batch C-4 (Rules 16 to 18-A) in full and supersedes interim edition v1 (38 pages).
